

Gemino Active Gore-Tex orange

The two-piece Gemino Active with GORE-TEX® fabric keeps you dry in wet performance classes under all conditions.

Material: PTFE-based Gore-Tex®, that vaporizes steam, but is still waterproof.

Seam structure: patented seam construction, that is based on the Flat Seam-technology eliminating the need for multiple layers.

Trousers and top are connected by the patented Ziplock mechanism.

Neck and wrist seals are waterproof and warming Super Stretch Neoprene

Knee and back reinforcements.

Integrated 4-Tex® socks allows you to choose the shoes that best fit your needs.

Pocket in upper part of trousers for phone.

Integrated suspenders in trousers. Waist band. Includes separate neoprene hood and gloves and carrying / storage bag.
