

Gemino Operative, GORE-TEX® Orange (SOLAS Certified)

The Gemino Operative GORE-TEX® is our top of the line offshore sailing suit with SOLAS certification. This revolutionary 2-piece dry suit turns your foul weather gear into a survival suit in seconds.

Material: PTFE-based Gore-Tex®, that vaporizes steam, but is still waterproof.

Seam structure: patented seam construction, that is based on the Flat Seam-technology eliminating the need for multiple layers.

Neck and wrist seals are waterproof and warming Super Stretch Neoprene

Knee and back reinforcements.

Integrated Gore-Tex® socks allows you to choose the shoes that best fit your needs.
